Firdaus :

I need to steel myself, this what i signed up for. This is going to be a heavy one.

ENDING SCENE ONE (mc wins)

Firdaus: Hey there, is this Lucas(the opponents name)

Lucas : Oh hello, hmm what's up, came to gloat about your win I see?

Firdaus: No no, that's not it, really that isn't what this is

Lucas : Then what is this? Why call your opponent on the law battle field?

Firdaus: I... I wanted to ask, is there any lawyer opening positions at the Laywers for Hu man rights? I decided, i want to fight for what is genuinely right. I hated that case, even if it does good to my career.

Lucas: Oh hmm well thats certainly surprising. You held yourself well out there despite feeling conflicted. You're in luck though, there happens to be an opening. Just hop on the site and grab the papers to fill out.

Firdaus : Haha thanks Lucas, your npo really opened my eyes.

Lucas: Hey no worries, and for what its worth... Welcome aboard Firdaus.

ENDING SCENE 2(mc loses)

Lucas: hey hey hey, how are you doing Firdaus

Firdaus : Hey there Lucas. What's up? Calling to show off your win?

Lucas: Ha if you were any other snobby lawyer, maybe I would have. No I called because i want to offer you something.

Firdaus: Huh? What is it?

Lucas: Despite the case being awful towards you, I mean really that was a losing battle. I will admit that you held yourself really well.

Lucas: Would you consider working for us? I know it's not as fancy as your firm but you'd be fighting for a righteous cause.

Firdaus: Ah I see... Well Lucas, I'm honored by your offer. I will actually take you up on it .

Lucas: Haha I knew you weren't those snobby ones, already mailed you the papers. Welcome to the team.
